

*Whatever mitigates the woes,  
Or increases the happiness of others,  
This is my criterion of goodness:  
And whatever injures society at large,  
Or any individual in it,  
This is my measure of iniquity.*

*For thus the Royal mandate ran  
When first the human race began  
The social, friendly, honest man  
Whate'er he be  
'Tis he fulfils great Nature's plan  
And none but he.*

*Then brithers let a halsome sang  
Arise your friendly ranks alang  
Guid wives and bairns blithely sing  
And let our honour loudly ring  
In praise of Robert Burns*
